OUR VALUES

Excellence as a result of collaboration, academic rigor, high expectations and strong character.

Academy of Advanced Studies (SAS/Gifted Program)

SAS sites offer high-level academic opportunities that meet the unique educational needs of K–12 gifted learners, identified in the Intellectual Ability, High Achievement Ability, Specific Academic Ability, Creative Ability and Leadership Ability categories or verified based on critical thinking/achievement.

Affiliated Charter School

Affiliated Charter Schools receive direct oversight by a Local District Office and the L.A. Unified Charter Schools Division. The schools are given flexibility in the utilization of the charter school categorical block grant; areas of curriculum and professional development; some aspects of local school governance; and some aspects of employee selection.

COVID Requirements/Restrictions

LAUSD policy has aligned with the guidance from the State of California and Los Angeles County Department of Public Health to make masking strongly recommended but not required in Los Angeles Unified. We know some in our school communities and offices will continue to wear masks, while others may choose not to. Please consider your situation and do what is best for you and your child.
